RESILIENCE

WOC Virtual Support Group

This group encourages healing through shared experience, as well as exploration of both individual systemic trauma at the intersections of race and gender. Topics will be chosen by group members and may include racial identity and survivorship and building community support and healing after trauma.

Group meets Tuesdays starting July 14th-Aug 25th 4-5:30pm. Please contact Renee Miranda-Beristain for intake at rberistain@ourresilience.org
