Position Title: Trauma Therapist (full-time, exempt)

Reports to: Director of Trauma Therapy

Salary Range: \$42,500 - \$44,500, commensurate with experience

Benefits: HMO, Dental, Vision, Life Insurance fully covered by employer. Holiday, Vacation and Sick time.

ORGANIZATIONAL BACKGROUND

Resilience (formerly Rape Victim Advocates) is an independent, not-for-profit organization dedicated to the healing and empowerment of sexual assault survivors through non-judgmental crisis intervention counseling, individual and group trauma therapy, and medical and legal advocacy in the greater Chicago metropolitan area. Resilience provides public education and institutional advocacy in order to improve the treatment of sexual assault survivors and to effect positive change in policies and public attitudes toward sexual assault. Established in 1974, Resilience now serves more than 2000 survivors of sexual violence and their loved ones annually through our main office in downtown Chicago and our community-based offices in Austin, Ravenswood, and on the Stroger Hospital campus.

GENERAL ROLE DESCRIPTION

The Trauma Therapist will be responsible for providing individual, couples and family counseling as well as facilitating support groups for adult and adolescent sexual assault victims/survivors and their significant others at the Austin Community Office, and occasionally off-site. This is a full-time, exempt position.

This position is part of a new Sexual Assault Multi-Disciplinary Team funded by a grant from the Illinois Criminal Justice Information Authority beginning in 2016. The MDT will be coordinated by the Cook County State's Attorney and brings together the Chicago Police Department, Resilience, and Life Span to improve the criminal justice response to sexual assault survivors. This MDT includes unprecedented opportunities to review case files and evaluate data as well as to develop clear protocol, increase a trauma-informed understanding of sexual assault victims, cross-train and increase access to services for survivors and their loved ones. **Please note that this position is partially funded by the MDT grant; the grant has been awarded through 2021.**

RESPONSIBILITIES

1. Provide individual, couples and family counseling, and support groups for adolescent and adult victims/survivors of sexual violence and their significant others
2. Maintain a caseload of counseling clients appropriate to level of employment and program needs
3. Assess/screen individuals to determine appropriate level of intervention and services
4. Promptly respond to requests for therapy services and maintain intake and referral records
5. Participate in regular supervision, consultation, program, and staff meetings.
6. Participate in trainings as a presenter for local and statewide sexual assault coalitions, institutional partners, and other agencies, as assigned
7. Develop and maintain a network of community members and service providers
8. Identify and participate in community events, forums, and meetings as necessary to maintain the agency's awareness of issues impacting residents and the visibility of the agency's services
9. Bring awareness of services to the Austin community
10. Collaborate with staff and interns from the Education & Training, Advocacy, and Counseling departments in order enhance the effectiveness of the agency's services
11. Maintain accurate records and statistics for intake, counseling, non-client crisis intervention, information/referral, and other services/activities
12. Provide therapy services primarily at the Austin Community Office, but also off-site or at agencies that have agreed to provide counseling space for the agency
13. Provide school-based therapy services as assigned
14. Perform other duties as assigned
