

# CORPORATE ENGAGEMENT OPPORTUNITIES

ENHANCE YOUR IMPACT • ELEVATE YOUR BRAND • ENGAGE YOUR EMPLOYEES

Whether your company is a small to mid-sized business or a large corporation, Resilience can help you develop and execute strategies to engage your team in local philanthropy that supports your company values and community interests.

## COMPANY BASED PHILANTHROPY

Resilience can provide you with the tools and resources to create a simple and effective fundraising campaign.

## ON-SITE VOLUNTEER PROJECTS

Build team cohesion while learning about an issue and making a difference in the lives of survivors. Multiple options available.

## CORPORATE TRAININGS

The Resilience Training Institute designs custom trainings for each audience. Contact us for more information.

## SPONSORSHIP OPPORTUNITIES

Provide financial or in-kind support to our programs or sponsor one of our special events.

*“Resilience champions sexual assault prevention and awareness via efforts to expose rape myths, remove stigmas, and end rape culture. If you seek an inclusive society, promote authentic and safe workplaces, support total mind and body healing and wellness for all, you support Resilience.”*

*“Working with Resilience was an incredible experience for Sprout Social. Our team learned a tremendous amount from the presentation, including how to be better allies, consider the language we use, and support survivors in our lives. We'd highly recommend working with this wonderful organization.*

*Thank you Resilience!”*
