Resilience is dedicated to the healing and empowerment of sexual assault survivors.

Resilience envisions a world where prevention efforts and global awareness of sexual violence expose rape myths, remove stigmas, eliminate rape and support all people as equal members of society.

- One of the **largest comprehensive rape crisis centers** in the Chicagoland area
- A **leading provider** of trauma therapy, legal and medical advocacy, and education and training, which includes prevention education in K-12 schools
- A **powerhouse of over 100 volunteers**, risen from our volunteer run roots
- An engaged community of over **30,000+ followers** on social media that believes in survivors.
- A **48-year veteran in crisis intervention and prevention**, founded by Dr. Natalie Stephens
- The **largest professional trainer** on preventing sexual violence in Illinois

Did you know?

Every **68 seconds** another American is sexually assaulted. Every **9 minutes**, that victim is a child.

8 out of 10 rapes are committed by someone known to the survivor.

Out of every 1,000 rapes, **only 5** will be prosecuted.

A survivor's journey requires support, care, and empowerment. Resilience aims to connect survivors to that through all of our programs.

Through medical and legal advocacy, trauma therapy, and education and training, we help guide survivors through their options and connect them with services and resources that will best support them in their journey towards healing. Last fiscal year, we served:

1,416

Survivors and their loved ones served

8,474

Individuals reached through our prevention education program

5,880

Professionals trained

472

Survivors met in the ER of our 16 partner hospitals

447

Survivors helped to access civil legal remedies

486

Survivors connected to criminal legal resources.
