VIOLENCE

Resilience is dedicated to the healing and empowerment of sexual assault survivors.

Resilience envisions a world where prevention efforts and global awareness of sexual violence expose rape myths, remove stigmas, eliminate rape, and support all people as equal members of society.

One of the **largest comprehensive rape crisis centers** in the Chicagoland area

A leading provider of trauma therapy, legal & medical advocacy, and education & training

A powerhouse of over 100 volunteers, risen from our volunteer-run roots

An engaged community of **over 33,000 followers** on social media that believes in survivors

A 50-year veteran in crisis intervention and prevention, founded by Dr. Natalie Stephens

The **largest professional trainer** on preventing sexual violence in Illinois, including prevention education in K-12 schools

Did you know?

Every **68 seconds** another American is sexually assaulted. Every **9 minutes**, that victim is a child.

8 out of 10 rapes are committed by someone known to the survivor.

Out of every 1,000 rapes, **only 5** will be prosecuted.

A survivor's journey requires support, care, and empowerment. Resilience aims to connect survivors to that through all of our programs.

Through medical and legal advocacy, trauma therapy, and education and training, we help guide survivors through their options and connect them with services and resources that will best support them in their journey toward healing.

Our impact this fiscal year:

1,420

Survivors and loved ones served

4,608
